Jumbo Run

Invitation to International Jumbo Run 2017 in Höganäs, Sweden

Welcome to the 43rd International Jumbo Run in Sweden! Jumbo Run is a meeting for sidecar motorcyclists regardless of brand and club. We offer children, youth and adults with disabilities a ride in our sidecars on Saturday. For the rest of the weekend, we socialize and have a nice time. We will meet on Friday, and all motorcyclists have free camping from Thursday to Sunday. We serve breakfast on Saturday and Sunday morning. Shops are within walking distance, and so are opportunities to swim in the sea.

As usual, we run the cortège on Saturday and we will have a lunch stop in the middle of the run. After the cortège there will be entertainment and refreshments. Later in the evening we will also be invited to barbecue, free of charge.

Notification of participation no later than August 1 to jumbo@sidvagn.se or +46-70-35 84 790. The notification shall include the name, phone number / cell phone number, number of adults and number of children, number of passengers you can take in the sidecar, and the date you arrive.

If the notification should be sent via regular mail, please use the following address:
