## Jumbo Run

### Invitation to International Jumbo Run 2019 in Katrineholm, Sweden

**Welcome to the 45th International Jumbo Run in Sweden!** Jumbo Run is a meeting for sidecar motorcyclists regardless of brand and club. We offer children, youth and adults with disabilities a ride in our sidecars on Saturday. For the rest of the weekend, we socialize and have a nice time. We will meet on Friday, and all motorcyclists have free camping from Thursday to Sunday. There are also cabins available, for those who do not wish to camp. There are also excellent swimming possibilities just next to the camping.

As usual, we run the cortège on Saturday and we will have a lunch stop in the middle of the run. After the cortège there will be entertainment and refreshments. Later in the evening there will be a possibility for barbecue.
